MOOSE BOOKS

MOOSE=Management Of Organizational Skills Everyday

A MOOSE book is a 3-ring binder notebook that holds *everything* the students and parents need to keep updated on classroom and school events!

No more lost notes, lost homework, lost important school notes or missing lunch/book club money!

No more looking all over the house to find paper to write the teacher a note!

EVERYTHING a student and parent needs is in one notebook!

Why is it important to have?

This notebook helps students to establish good organizational skills as well as teach them responsibility.

The children really enjoy using the MOOSE books. It is a wonderful way to keep communication open between the teacher and parents.
